I would like to join the MREC Industry Membership Program at a subscription rate of $500.00

Payment Method: ___Credit Card: ___Check: ___ Please invoice me at the address above.

Membership Sector Description: Please indicate which sector below best describes your company/organization so that we can better serve you:

___ Developer: Company that is innovating, designing, testing specific ocean energy technologies

___ Supplier: Firm that is supplying parts and pieces to the testing, production, installation, maintenance.

___ Service Provider: Company that is providing services such as site assessment, environmental studies, legal advice, permitting, government relations, engineering consulting, public relations.

___ University/Research/Education/Training: Research centers and schools offering or tracking ocean energy curriculum (including high school, vocational technical schools, community colleges, university undergraduate and graduate, private and unionized certification bodies).

___ Non-profit Organization: Organizations that is tracking the emergence of all aspects of ocean energy.

___ Government: Local, State, Regional, National: Local municipalities, state agencies, regional collaborative groups and federal government agencies that are tasked with overseeing some aspect of ocean energy.

To give your organization full brand exposure, please provide us with the following:

___ A high resolution and web-ready logo, link to your marine energy landing page.

_____ A brief, 300-500 word overview of your organization’s ocean energy products or services

For questions, please contact John Miller at J2miller@umassd.edu or (508) 999-MREC (6732).
